REF. Mr. Cezar Lazarescu and Mr. Mihai Mazilu, Rom International Services

I, David Colquhoun, District Manager for the company John Deere Export, Germany, have known the above two gentlemen for a period of over three years, having had contact on both a business and private basis.

Throughout this time, both have proven to be reliable and trustworthy.

Both show diligence and seriousness in the manner in which they carry out their business, and for this reason I am able to recommend Messrs. Lazarescu and Mazilu, and their company, Rom International Services, further.
